SUMMARY OF EXAMINATION

Introduction:

An examination was requested to ascertain compliance with the requirements as detailed on page one of this report. This report is for a modified version of samples that were originally tested and reported under our report reference numbers ALC K98394:0906 and K99619:1106. Only BS EN 71-1 clause 5.1 was tested on the modified sample (micro decal between the handles and the plastic cap on the ball only). The other results are taken from the original reports. Our findings were as follows:
